

January 2, 1974

CLERK: No naves, Mr. President.

PRESIDENT: The bill is advanced. Now, Senator Keyes, Excuse me.

CLERK: Mr. President, we have a request to adjourn. But also Senator Chambers asked me to advise that he had asked for 568 to be bracketed, but it was really 584 he would like bracketed. And to leave 568 alone. So he would like to bracket 584 in lieu thereof.

PRESIDENT: O.K. Senator Chambers.

SENATOR CHAMBERS: If I would have to make a motion to unbracket 568. I would do so. Or if that can be unbracketed by unanimous consent, that's what I would like to do. And in so doing I owe Senator Luedtke an apology, because it is a very important bill of the Judiciary Committee. A mistake in the digit that designates the bill.

PRESIDENT: Senator Chambers is asking unanimous consent to unbracket 568. Are there objections to unbracketing that bill on General File. If not so ordered. And his next motion was to bracket 584. Are there objections to bracketing 584? If not, it is so ordered. Then, there is a motion you say to adjourn.

CLERK: Yes, and then I have one bill.

PRESIDENT: Let's read the new bill.

CLERK: (Read LB 662 ) Mr. President, I move we recess, I assume it should be adjourn until 9:00 a.m. signed Senator Lewis.

PRESIDENT: Any more business to come before the body. Senator Barnett.

SENATOR BARNETT: Mr. President, I'd like to ask the chairman of Judiciary Committee if he's still intends to have that meeting. It's 4:00 now and I think we ought to put it off until at least tomorrow.

SENATOR LUEDTKE: Well it's not going to take very long. In fact if we all get there. 5 or 10 minutes will do it. We're just scheduling things for the next couple weeks.

SENATOR BARNETT: Then you are still going to have the meeting.

SENATOR LUEDTKE: I'd hope that you would come. Yes.

SENATOR BARNETT: O. K. Just whatever you say.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: I want to remind the Appropriations Committee we'll meet down in the regular hearing room for about thirty minutes right after adjournment.
